CAREER PREFERENCE OUTLINE

GENERAL

DEFINITION: A Career Preference Outline is a documented description of proposed career activities for an employee for an appropriate specified period. It serves as a guide for future personnel actions.

DESCRIPTION: A Career Preference Outline consists of statements by the individual of his career interests to which are appended the comments of his supervisors and his Career Service. The proposals may include suggested retention in present position, reassignment, or training. Such proposals may be specific or general in terms of time and place. Individuals and supervisors will recognize that continuity of career interest and consistently satisfactory performance rather than rotation from area to area or function to function are basic in career progression. Career planning does not imply that proposals for reassignment or formal training are inherent or must be included in a Career Preference Outline.

PURPOSE: The Organization, through the career planning program, maintains an inventory of employees' preferences for use in planning utilization of manpower. Preferences are reviewed and evaluated by the employee's supervisor and his Career Service in terms of his potential and the needs of the Organization.

INSTRUCTIONS FOR SUPERVISORS AND CAREER SERVICE OFFICIALS

Supervisors and officials assisting in the preparation of Outlines or reviewing proposals for future personnel actions should ensure that the real needs and potential of the individual are coordinated with the present and future requirements of the Organization. Specific proposals for reassignment and training included in Outlines are not to be considered as commitments on the part of the individual or the Organization. The expression of the individual's career interests and proposals made in the Outline is a guide for future major personnel and training actions affecting the individual and must be subsequently considered by officials when approving such actions. This is not intended to restrict desirable flexibility of action but rather to ensure that major actions which deviate from the proposals in an Outline are taken after serious consideration of all pertinent factors. In line with this requirement, Career Preference Outlines are made a part of an official record (e.g., placed in the individual's Official Personnel Folder) so they are available to all officials responsible for initiating and approving subsequent actions affecting the individual.

COMMENTS BY SUPERVISOR

Items 15 and 16 - The supervisor should comment on the employee's statements of his career interests and desired training. He will include specific recommendations, if possible, for the employee's future utilization. The Outline should serve as a basis for a discussion with the employee of his strengths and weaknesses. The Career preference Outline with items 15 through 20 completed should be forwarded to the Head of the employee's Career Service promptly. Supervisors in the field will forward the Outline through normal channels to Headquarters.

Items 17 through 20 - Self-explanatory

FOR USE OF CAREER SERVICE

Item 21 - Career Service officials will review the employee's statements of preference and the supervisor's comments in terms of the needs of the employee and the Organization.

Items 22 through 25 - Self-explanatory

DISTRIBUTION

The original of the Career Preference Outline will be forwarded to the Director of Personnel and filed in the employee's Official Personnel Folder. Copies of the Outline may be shown or distributed, subject to the approval of the Head of the employee's Career Service, to officials in other Career Services who may be concerned with his development and utilization.
